## A section of the northbound Western Spur of NJ Turnpike will be reduced to one lane this weekend because of bridge repairs

The left lane and shoulder of the northbound Western Spur of the New Jersey Turnpike between Interchange 18W and the merge with the Eastern Spur will be closed from tonight until Monday morning for bridge deck repairs. Only one northbound lane will be open between milepost 114.2 in Carlstadt and milepost 116.2 in Ridgefield.

Traffic impacts could be severe during peak travel times Saturday and Sunday.

For real-time traffic conditions, drivers should call 511 from a hands-free mobile device or download the SafeTripNJ smartphone app. Live traffic cams and traffic advisories are also available on the Turnpike Authority website ([www.state.nj.us/turnpike](http://www.state.nj.us/turnpike)).
